In consideration of the right to participate in such a trip and the services of Integral Expeditions, I have and do hereby assume all of the above risks and will hold them harmless from any and all liability actions, causes of actions, debts, claims of demand of every kind of nature whatsoever which I now have or which may arise of or in connection with my participation on this trip. The terms thereof shall serve as a release and assumption of risk for my heirs, executors, and administrators and for all members of my family. I acknowledge that I have been advised that California has a Travel Consumer Restitution Fund and that my tour is not covered by that law because the foreign providers of transportation and travel services utilized for this tour are not registered as Sellers of Travel in California. I understand that I am not eligible to make any claim against that fund.
